Mr. DESPINS did not see anyone with Mr. RAYNS and she did not know him to have any visitors; however, his apartment is entered from the rear of the building and visitors would not come past the desk where she works.

Mrs. DESPINS reviewed the ledger sheet for room 105 for June, 1967, and determined Mr. RAYNS did not make any long distance phone calls or any phone calls which were reported on this ledger sheet.
